Ålesund Airport Vigra is the largest airport between Bergen and Trondheim. The airport is centrally located compared to some of the most important tourist attractions of Norway. The Art Nouveau Town of Ålesund, the Geirangerfjord, Trollstigen and the glacier Briksdalsbreen can easily be reached from Ålesund Airport Vigra!

Domestic air connections are good, with direct flights to Oslo, Bergen and Trondheim. The distance Ålesund-Oslo is operated by both SAS and Norwegian. The last few years, the airport has also established new direct international flights. Currently, there are direct routes to London, Alicante, Copenhagen and Riga with good connections to and from other international destinations. SAS, Norwegian and airBaltic are the flight companies operating regular traffic to and from Ålesund Airport Vigra.

The airport has also got an extensive charter offer, mainly during the summer season but also during autumn, winter and spring. Flights to destinations around the Mediterranean Ocean make the largest part of the charter traffic.

The airport has good flight bus connections at all arrivals and departures. Flight bus to and from the centre of Ålesund, the traffic hub Moa and to the speed boat terminal at Valderøy.

From the airport, it is 18 kilometres to the centre of the Art Nouveau town Ålesund.

If you have any further questions about travel to and from the boat, please do not hesitate to contact the office and we will try to help in any way we can.
